Neighborhood Advisory Council to Hold Public Meeting

Wednesday, November 2, 6 p.m. at Franklin Neighborhood Center

The Neighborhood Advisory Council (NAC) is holding a special meeting to discuss pedestrian access concerns for Milpas Street on Wednesday, November 2, at 6pm at the Franklin Neighborhood Center, 1136 E. Montecito Street. The NAC has received numerous requests from the public to discuss traffic and access issues after 15 year old Sergio Romero was killed crossing the street in the evening earlier this month. City Traffic Engineering staff will attend to listen to neighborhood interests.

The NAC is an advisory board recently created by the City Council that meets the 2nd Wednesday of each month. It supports the resident focus on neighborhood issues including resident advocacy, youth voice, community outreach, resident participation, and serves as a vehicle for resolution of neighborhood issues. It provides a vehicle for community input and assists in the mobilization of area resources to help meet neighborhood-related interests and needs of the community. The NAC reports to City Council and advises the Neighborhood and Outreach Services section (NOS) of the City's Parks and Recreation Department.

The NAC normal meetings are held on the 2nd Wednesday of the month at the Louise Lowry Davis Center, at 6 p.m. The public is invited to attend their meetings.

For more information on the special meeting or any NAC meetings, please contact Sarah Hanna at 564-5428.
